Dear \_\_\_\_\_,

If you're like many homeowners, you may be unaware that your Home Insurance generally does not cover your underground water and sewer pipes leading to the street. We're pleased to tell you that very inexpensive coverage for those lines is now available to Nuttall and Assoc customers regardless of your primary insurance carrier, or your home's age.

### Avoid Costly Repairs for Just Pennies a Day

Whatever your home's age, water and sewer lines eventually fail. Fortunately, you now have access to important new coverage with guaranteed acceptance.

- **If you have a problem, you'll call a toll-free emergency line 24/7.** Your call will receive top priority with the contractor network, ensuring fast response.
- **Each of your service lines can be covered up to \$5,000** annually for the repair or replacement of a failed water and/or sewer line on your property.
- **You pay Zero deductible** and in the event of a line failure, everything is taken care of, allowing you to go on with life while your repairs are managed to completion.

You can't prevent a water or sewer connection from failing, but you can be prepared. Don't be caught with unnecessary worry and expense, **Enroll Today!**

Sincerely,
